To Whom It May Concern,

Please accept this letter as confirmation that Jeremiah Moore has participated in the 100Devs Software Engineering Academy. The 100devs Academy is a 30 week training program that helps individuals learn in demand software engineering skills and helps our digital agency develop top engineering talent. During their time at 100Devs, Jeremiah grew their engineering skill set and delivered high quality development to their client Johnny Aces. Jeremiah shows great promise and your company is lucky to have them.

If you have any questions or require more information, please send me an email at leon@100devs.org

All the best,

Leon Noel
